

ENVIRONMENT DAY CELEBRATION

5 June 2023

For holistic growth as well as the development of the various facets of the personality development of students: classroom teaching should be supplemented with co-curricular activities, having this in mind 'WORLD ENVIRONMENT DAY' was organized by the Institute of Vocational Studies on 2 June 2023 & 5 June 2023. The whole activity was meticulously planned under the guidance of our respectable Principal- Dr. Mandira Gupta and Organiser – Ms. Sangeeta Kaushik. The faculty members also joined the activity session to motivate the student's confidence with their presence.

Two activities aimed at creating awareness of the need to protect and preserve the environment were organized. These included A Poster Making Activity & An Extempore activity.

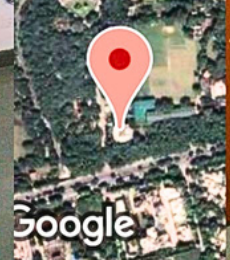

On the occasion of World Environment Day, a poster-making activity was held for the students of B.Ed, 2nd year, to help the students to exhibit their talent, besides ascertaining adoration for the environment. The students participated with enthusiasm and immense fervency. They made amazing posters on A4 sheets accompanied by relevant captions and slogans. The second event was Extempore. The aim of organizing this extempore event was to hone the language skills of the students and acquaint them to be articulated while representing their thoughts and opinions. The event was a kaleidoscope of opinions, ideas, and perspectives that enriched the knowledge and understanding of environmental awareness. The expression presented were acknowledged by the mates and teachers with cheers and claps. There was so much talent in the room. Arguments were assembled and proved. The event was so fascinating with the exchange of students' perspectives by equally framing their concerns and alternatives to save the environment. The student orators fascinated the listeners and faculty with their captivating quick thoughts and opinions. At the end of the event, the organizer, Ms. Sangeeta Kaushik concluded the discussion and motivated students to conserve the environment.

The active nature of the participants made the event a success. Those activities were successful to motivate and generate keen interest among the students about the urgent need of conserving the environment and quality of life.
