

MEHENDI MAKING ACTIVITY

20-04-2023

Institute of Vocational Studies organized an event full of enthusiasm, fun, and creativity- Mehendi Making on the occasion of the EID festival. The event was held on Thursday, 20th April 2023. It was organized under the guidance of our respectable Principal ma'am, Dr. Mandira Gupta.

Students of B.Ed participated with enthusiasm. They created beautiful designs on diverse themes. The activity was held under the supervision of Ms. Sangeeta Kaushik. In the activity, students created ravishing designs in various themes. Mehendi reflects the rich Indian culture fetching together the knowledge of medicinal herbs with many pleasant sentiments and beliefs. Students enthusiastically participated in the activity. They displayed their artistic layouts through an array of mehendi on the hands of each other. Some were old and common but some designs were unique and trendy. The aim of this activity was not merely to see the drawing skills of the students but also the creativity of the students and their way of representation which will in turn improve the overall personality. They must appreciate all the festivals and cultures for developing a broader perspective.

It was indeed an interesting experience for all the B.Ed students of IVS.
