

NCERT VISIT

2nd March, 2022

Educational trip to NCERT was organised by Institute of Vocational Studies under the guidance of our Principal ma'am Dr. Mandira Gupta. Taking care of covid norms, a trip was organised on Wednesday, 2nd March, 2022 in two slots- 9:30 am to 1 pm and 2 pm to 5:30 pm, each slot comprising of 48-50 students. Teacher in charge of first slot were Ms. Priyanka Gupta, Ms. Sangeeta Kaushik and for second slot were Ms. Eram Aziz, Ms. Shailja Gupta. Trip began with insights of what is technology and how new education policy is integrated education with ICT and followed by refreshment for students. After the break, there was a session on various apps which can be used to make study easier and by the help of these apps technology can be integrated to education. It was followed by an informative session to studio and recording room, where they taught students how different videos which are helpful for all students is done. Students tried to record their voice in recording room and got more insights about different apps they used for recording like Nuendo.

Below is the glimpse in the form of collage

Students learnt a lot about different tools related to e-content like H5P. It was very informative visit for all students.
