

OZONE DAY

Poster Making and Slogan Writing Activity
22nd September 2023

Under the guidance of Principal Dr. Mandira Gupta and with special guidance from Ms. Sangeeta Kaushik, the Institute of Vocational Studies (IVS) organized a successful Poster Making and Slogan Writing Activity on Friday, 22nd September 2023, to commemorate **Ozone Day**. Students of IVS participated with enthusiasm, creating visually engaging posters and thought-provoking slogans that highlighted the importance of preserving the ozone layer. This event not only showcased the students' artistic talents but also promoted awareness about environmental conservation. Moreover, it was evident that the students actively learned about the significance of Ozone Day, spreading awareness among themselves and their peers.
