

POT PAINTING

25 March, 2022

To promote the idea of learning through the art and with the art Institute of Vocational studies organized a Pot Painting Activity on 25 March, 2022, Friday. The programme was conducted under the guidance of our respected Principal Ma'am Dr. Mandira Gupta and the activity was planned and organized by Ms. Sangeeta Kaushik.

All the four houses Kalam House, Nehru House, Tagore House and Azad House were supposed to decorate two pots per house. Each member of the group actively participated in the activity. This activity helped students in the development of eye-hand coordination and to guide them to open up the wings of their imaginations. It was a fun following activity enjoyed by every student.

Below is the glimpse in the form of collage:
