

SURAJKUND CRAFT MELA

A bonanza of vivid art, craft, music and dance, colorful ambience, ethnic cuisines and an immensic cultural ethos.

Our college, Institute of Vocational Studies arranged a visit to Surajkund Craft Mela Faridabad on 10th February 2020.

Approximately 300 students and 10 teachers of D.El.Ed. and B.Ed went there. We all reached there by 10 o' clock and gathered at gate number 1.

Everyone bought their tickets themselves. The actual fare of the ticket was Rs.120 but we all got student concession and bought it for Rs.60.

A large number of renowned national and international folk artists and cultural groups presented performances at both Chaupals, the open air theatres, located in the mela premises.

This time Himachal Pradesh was selected as the theme state to showcase its tourism.

The multi cuisines food court provided ethnic cuisines from all over the world, which are immensely popular with visitors.

All in all, it was truly a memorable experience with all my friends and teachers.
