

Table Mat Making Activity

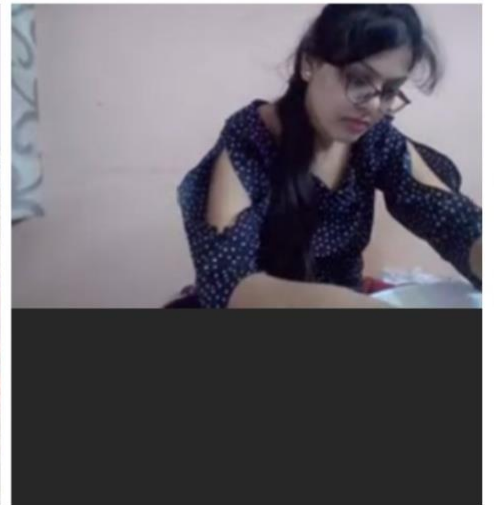

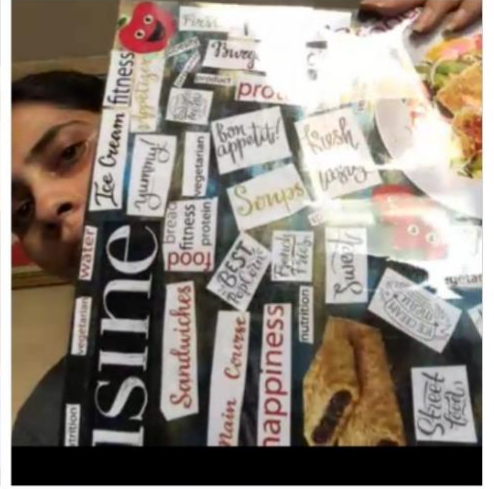

A fun filled activity 'Table Mat' was organised by Institute of Vocational Studies on Friday, 16th July, 2021. The activity was organized under the guidance of our Respected Principal, Dr. Mandira Gupta, and organized by Ms. Sangeeta Kaushik and Ms. Nahid Raees on Teams platform, 1:30pm onwards.

The activity was done using paper collage technique with the main objective of using waste paper and to teach students about environment sustainability.

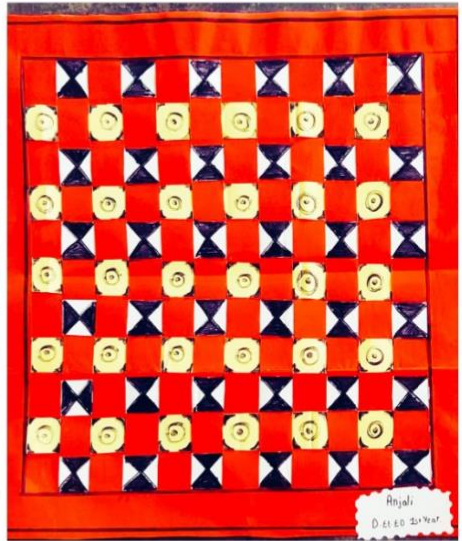

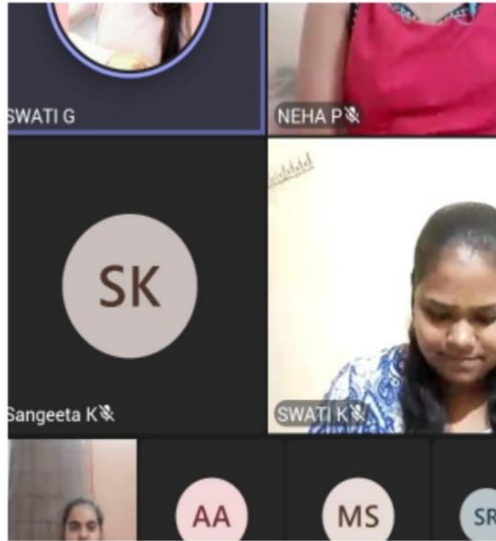

Paper collage is a technique of an art production where the artwork is created using an assemblage of different forms and shapes using paper.

Below is the glimpse of an activity in the form of collage:

B. Ed Students

D. El. Ed Students

Students were enjoyed while performing live on online platform. Moving a step forward, our eager beavers participated in Designing a Table Mat, which they adorned with colourful cut outs of fruits and vegetables. The little tasks assigned to students not only honed their Table Manners but also defined the right way of eating and living for a better life

Result of Table Mat Making Activity
