IVS organised Okhla Bird Sanctuary Tour under Wildlife Conservation.

The students of B.Ed and D.EL.Ed were taken for a visit to the Okhla Bird Sanctuary. It is said that they are the messengers of God.They are our feather friends.Okhla bird sanctuary is very famous for different kinds of birds. This visit was organised under the guidance of our Principal Dr. Mandira Gupta. Okhla Bird Sanctuary is situated in Gautam Budh Nagar near Yamuna bank.We reached there by magenta line metro.This trip was arranged with the help of our teacher in charge Ms. Nazia Hasan and Ms. Nahid Raees.After completing the breakfast ,we started our bird watching programme.Here we saw the variety of colourful birds there we saw the himalayan vultures,red and yellow billed choughs, koklas, pheasants,monats,yellow naped woodpeckers,blue barbets,pigeons,variety of sparrows.Students were stunned by their beautiful colours and moving styles.We too watched their nests and habitats. We used binoculars also to enjoy this world a bit more.

We took some photographs with our mobiles to save them in our memories.We knew some unknown facts about these birds.Students noted some specific details in our diaries too.

In this way it can be said that it was a wonderful experience for the students as if we got lost somewhere in that beautiful world and never returned from there
